CONNECTING BLUETOOTH DEVICE

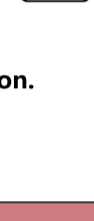

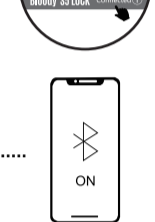

(For The First Time Use)

- Long press the power button for 2s and white light flashes when pairing.
- Choose "Bloody S5 LOCK" from your Bluetooth device.
- The indicator light off after the Speaker is connected.

CONNECTING BLUETOOTH DEVICE

(For The Second Time Use)

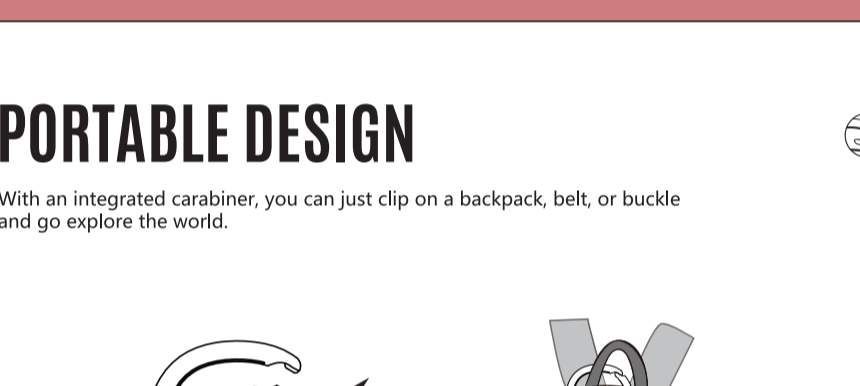

The device you connected last time will be remembered. Automatically connect back to the last device after power on.

Warm Tips:
Make sure the Bluetooth device is turned on.

EXTENDED ADD-ON MODE

- Turn on the first speaker, and long press the Play Button for 5 seconds to enter the teaming mode. The indicator flashes in white light.
- Turn on the second speaker and enter pairing mode, it will be automatically connected to the team. The indicator flashes in white every 10 seconds.
- The first speaker is on the left channel, and the second one is on the right channel. Now you can enjoy the two speakers with extended stereo surround sound effects.

**After the power is off will return to the original status, repeat the above steps again if necessary.

PORTABLE DESIGN

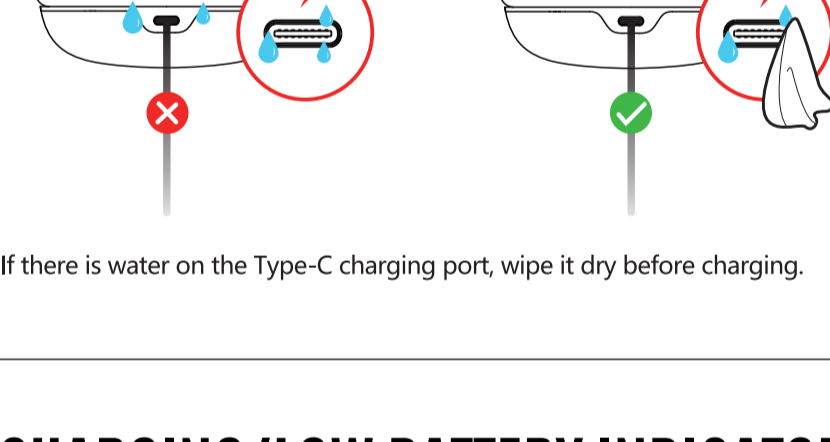

With an integrated carabiner, you can just clip on a backpack, belt, or buckle and go explore the world.

WATERPROOF AND DUSTPROOF IP66

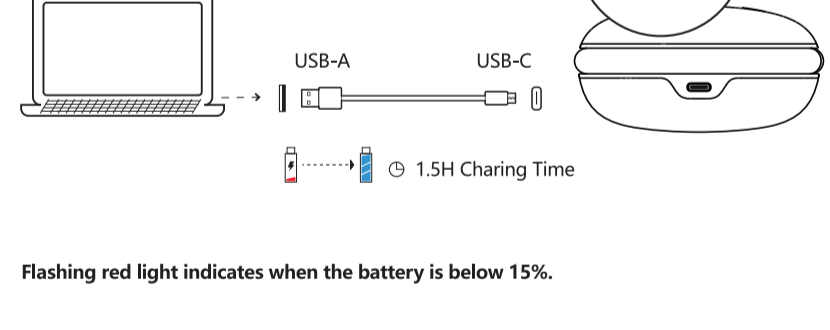

WARNING!

If there is water on the Type-C charging port, wipe it dry before charging.

CHARGING/LOW BATTERY INDICATOR

Flashing red light indicates when the battery is below 15%.
